SCUBA DIVING TRY- DAY

A friend of ours, Noel, is a scuba diver and belongs to a diving Club. They wanted to give back to the community to have a go at this. Noel thought of us. We asked members who attend on a Sunday if they would like to do this and we had a good response. On Sunday 8th February we had our first session at Howells School, Noel along with colleagues Craig and Steve came to the pool and Richard, Howard and Laura had a go.

It was very successful and I have put some photographs taken by Pamela on the Gallery, which is attached along with the newsletter.

We will be doing it again in the future and will ask three others to have their go.

We then received the following from Noel.

"Hi Pam, I know I am speaking for both Steve and Craig. I just wanted to thank you for allowing us to help Howard, Richard and Laura with their underwater experience. It was both a privilege and an honour to witness their achievement. We are looking forward to visiting the Chameleons again."

Welcome to Keryn, who is our newest swimmer to join the Club. She attends on a Sunday evening and we hope you and your family will enjoy being with us and join in our various events,

Last month, I started this item just for the year. It will mainly be swimmers and people who were directly involved with the Club.

This month we remember
